

October 2022 Member Outreach Requests

There were no requests to the GLWA Administration for the month of October. Attached is the executive summary from each work group meeting held in October that highlight the topics covered and the action items that stemmed from the meeting.

EXECUTIVE SUMMARY

FY 2024 Charges Rollout #1 CIP

95 Participants

October 19, 2022

MEETING TOPIC:

- Economic Outlook Task Force Update
- Overall CIP Update and Introduction to the FY 2024 - FY 2028 Plan
- Highlighted Water System CIP Projects
- Highlighted Wastewater CIP Projects

REQUESTS TO GLWA ADMINISTRATION:

- None.

DECISIONS:

- None.

ACTION ITEMS:

- Members are asked to submit questions and comments on the CIP Discussion Draft #1 via email to: cip@glwater.org, and to do so as soon as possible. The deadline for public comments is November 18, 2022.

EXECUTIVE SUMMARY

Watershed Hub Work Group

12 Participants

October 19, 2022 via Zoom

MEETING TOPIC:

- GLWA Regional Water Quality Monitoring Program sample timing and parameters.
- Investigational Grab Sampling Program funding and implementation preferences.

REQUESTS TO GLWA ADMINISTRATION:

- None.

DECISIONS:

- Regardless of how the Investigational Grab Sampling Program is funded and who does the sampling, E. coli grab sample data will be provided to GLWA to store and make available through the Watershed Hub datamart/GIS mapper.

ACTION ITEMS:

- USGS will look into adding carbonaceous biochemical oxygen demand (CBOD) and microbial source tracking (MST) as parameters to analyze as part of the Regional Water Quality Monitoring Program.
- USGS will add a column to the Regional Water Quality Monitoring Program site spreadsheet to note whether the location is already a site.
- Annette, Jeff/Stacey, and Joel/Lynn will each prioritize their recommended Regional Water Quality Monitoring Program Phase 2 sites.
- Brittany will add to a future agenda discussion of Regional Water Quality Monitoring Program Phase 2 site locations and parameters to be analyzed at each.
- Annette and Noel will meet with Patrick Cullen, Wayne County, to determine how to address gaps in Wayne County, should Oakland and Macomb Counties prefer to implement the Investigational Grab Sampling Program independently.
- Annette will reach out to the Western Townships Utility Authority (WTUA) to gauge interest in the Investigational Grab Sampling Program.

EXECUTIVE SUMMARY

Wastewater Analytics Task Force

35 Participants

October 20, 2022

MEETING TOPIC:

- Updates and Announcements:
 - GLWA-HUW Research Symposium, November 15, 2022, 12pm – 2pm, via Zoom
 - FY 2024 Charges Rollout #2 Units of Service, November 16, 2022, 1pm – 3pm, via Zoom
- Efforts to Address DWII in the Central Business District
- First Hamilton Sewer Inflow and Infiltration

REQUESTS TO GLWA ADMINISTRATION:

- None.

DECISIONS:

- The WATF accepts the results of the First Hamilton study as supporting current estimates of sanitary sewer flows for TMP-2 area.

ACTION ITEMS:

- GLWA and CDM Smith will meet with DWSD to discuss possible modifications to language in the Flow Balance report to clarify the total estimated river inflow amounts and how those amounts are estimated.

EXECUTIVE SUMMARY

Wastewater Best Practices Work Group

28 Participants

October 26, 2022

MEETING TOPIC:

- Regional Operating Plan: Pre-storm call form
- Best practice sharing
- EGLE proposed rule changes
- Brainstorming: Discussion topics for 2023 Work Group meetings

REQUESTS TO GLWA ADMINISTRATION:

- None.

DECISIONS:

- None.

ACTION ITEMS:

- None.
