12. Other Matters

William M. Wolfson, Chief Administrative and Compliance Officer, gave a verbal report regarding GLWA's intent to submit an application with the Federal Emergency Management Agency (FEMA) for a BRIC (Building Resilient Infrastructure and Communities) Grant, which is due this Friday (January 14, 2022) and wanted to alert the Committee, as there would be a match if GLWA is awarded the Grant.

Mr. Wolfson stated that GLWA is requesting funding for the Oakwood District Intercommunity Relief Sewer Modification at Oakwood District, which is contained in our CIP, Project No. 222001, and the total estimated project cost is \$54.4 Million. If awarded a BRIC Grant for this project, GLWA would be obligated for 25% cost share of the project, and that 25% cost share, if we receive the Grant for the full amount of the project, would be \$13.8 Million.

Chairperson Hendrix requested a Motion to Receive and File Mr. Wolfson's report.

Action: Receive and Filed

The motion carried by a unanimous vote.
