RE: Defense of the Flint GLWA Contract and Master Agreement

In the event that a suit is brought against the Flint-GLWA Contract and Master Agreement including all exhibits, as described in the Amended Resolution to Approve Master Agreement between to City of Flint, Department of Environmental Quality of the State of Michigan, the Genesee County Drain Commissioner, the Great Lakes Water Authority and the Karegnondi Water Authority (170354.3), challenging the validity of the Contract and Master Agreement and the authority of the City to enter into the Contract, or authority of the City representative to execute the Contract, the City of Flint Law Department agrees to join in the defense of the contract by any challengers.

Sincerely,

A handwritten signature in blue ink that reads "Angela Wheeler".
