

Welcome to the December edition of *The Procurement Pipeline*, a monthly newsletter designed to provide updates on doing business with the Great Lakes Water Authority (GLWA).

Procurement Tip of the Month: Submitting a Complete Invoice – the Key to Faster Payment

Timely and efficient payment of invoices is a top priority for GLWA. Submitting a complete and accurate invoice is the best way to ensure that your business receives its payments as promptly as possible. A complete invoice should conform to the following guidelines listed below:

1. Name the Great Lakes Water Authority (GLWA) in the “Bill To” area of the invoice and is addressed to GLWA.
2. Include a GLWA purchase order (PO) number.
3. Include your company’s invoice number and invoice date.
4. Include remittance information for payment by paper check.
5. Include accountspayable@glwater.org for invoice submission.
6. Comply with all the required purchase order/contract terms.
7. Provide a description of the services performed and/or the goods shipped.
8. Supply the date for the services performed and/or goods shipped.
9. Ensure invoice items and unit prices match purchase order items and unit prices.
10. Exclude a charge for sales tax. (The Exemption form is located [here](#). Please note that there are exceptions to GLWA tax-exempt status for construction contracts).
11. Add freight costs, if applicable.

Please note that every purchase order issued by the GLWA Procurement Team is assigned a unique seven-digit PO number. In order to pay an invoice, the invoice must match the PO in our system. Invoices without a PO number require research and

resubmittal – and delay the payment process. GLWA payment terms apply only to complete and properly submitted invoices. If asked to provide goods or services without a purchase order, please contact procurement@glwater.org.

GLWA also encourages vendors to register for **GLWA Direct to You** to receive payment via ACH-Direct Deposit. In addition to improved cashflow, **Direct to You** offers a secure online vendor portal, identifies all invoices paid, and eliminates delays associated with lost or stolen checks.

For more information on submitting an invoice for payment, or any inquiries related obtaining the payment status of an invoice or registering for GLWA Direct to You, please contact accountspayable@glwater.org.
