

Contract # GLWA-CON-197
Title: Modifications to Incinerator Sludge Feed Systems in Complex II at WRRF
RFB Evaluation / Bid Comparison - Bid Opening Date: 01/08/2018
Three (3) Bids Received

Package A - Dewatered Sludge Cake Conveyance Improvements

No.	Description	U/M	Weiss	Toolles	Walsh
1A	The lump sum price for Item 1A shall constitute full compensation for removal and replacement of belt conveyors A and B as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyors.	LS	\$ 726,679.00	\$824,300.00	\$952,686.00
2A	The lump sum price for Item 2A shall constitute full compensation for replacement of belt conveyor E as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$ 415,335.00	\$631,400.00	\$672,582.00
3A	The lump sum price for Item 3A shall constitute full compensation for replacement of belt conveyor G as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$ 385,546.00	\$613,000.00	\$520,371.00
4A	The lump sum price for Item 4A shall constitute full compensation for replacement of belt conveyor H as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$ 530,160.00	\$816,600.00	\$689,002.00
5A	The lump sum price for Item 5A shall constitute full compensation for replacement of belt conveyor L as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$308,526.00	\$528,100.00	\$428,786.00
6A	The lump sum price for Item 6A shall constitute full compensation for replacement of belt conveyor K as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$282,930.00	\$524,700.00	\$428,890.00
7A	The lump sum price for Item 7A shall constitute full compensation for replacement of belt conveyor P7-8 as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$270,792.00	\$503,300.00	\$440,096.00
8A	The lump sum price for Item 8A shall constitute full compensation for replacement of belt conveyor P9-10 as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$257,896.00	\$501,900.00	\$432,654.00

Package A – Dewatered Sludge Cake Conveyance Improvements Cont.

No.	Description	U/M	Weiss	Tools	Walsh
9A	The lump sum price for Item 9A shall constitute full compensation for replacement of belt conveyor P11-12 as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$256,432.00	\$503,000.00	\$411,488.00
10A	The lump sum price for Item 10A shall constitute full compensation for replacement of belt conveyor P13-14 as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated structural walkways and supports, local I&C and electrical items adjacent to the conveyor.	LS	\$251,304.00	\$504,400.00	\$429,962.00
11A	The lump sum price for Item 11A shall constitute full compensation for removal and replacement of 16 existing single screw conveyors with new dual shafted live bottom sludge hoppers as specified and shown in the Bidding Documents for the Modification to Incinerator Sludge Feed System at Complex II, Package A. Lump sum price shall also include associated local I&C and electrical items adjacent to the conveyor.	LS	\$3,018,079.00	\$3,287,100.00	\$4,198,333.00
