Re: Detroit Pump & Manufacturing

To whom it may concern,

Please be advised that Detroit Pump & Manufacturing is the only authorized water utility (municipal) distributor in the state of Michigan (excluding the UP) for our potable water and wastewater products.

This includes the following brands:

- Grundfos
- PACO
- Peerless
- Yeomans
- Chicago
- Morris

We truly appreciate your past business and the opportunity to be your pump company of choice in the future.

Please feel free to contact me directly if you have any questions.

Respectfully,

Brent Nibarger
