To Whom it May Concern,

The Water Residential Assistance Program (WRAP) in Wayne County is crucial to clients who need access to water and seek a pathway toward self-sufficiency.

WRAP has a unique program design which enrolls clients for multiple years of assistance. Given the increase of enrollment in Out-Wayne County in 2021, Wayne Metro recommends that the uncommitted dollars for this service area from fiscal year 2020 and fiscal year 2021 remain available in Out-Wayne area. This reallocation would support the 2021 new enrollees in year two, three and beyond, which is critical to the success of our clients and community.

Now and moving forward, it is with great pride that Wayne Metro administers the WRAP program to those in Wayne County with the greatest need. We truly appreciate the continued support GLWA provides to residents.

Best,

Louis D. Piszker
Chief Executive Officer
