

MAKING SENSE OF YOUR DOLLARS

Every dollar paid to GLWA for **Wastewater Services** provides for...

1

THE UNITED STATES OF AMERICA

1

ONE DOLLAR

44.9% DEBT SERVICE

44.9¢ ON THE DOLLAR

Physical improvements to GLWA's regional sewer system and its assets are financed with debt. Debt service principal, interest and other required deposits are funded monthly.

41.1% OPERATIONS AND MAINTENANCE

41.1¢ ON THE DOLLAR

The cost for people, utilities, chemicals, and services to deliver effective and efficient wastewater services around-the-clock, every day of the year.

6.7% REVENUE FINANCED CAPITAL

6.7¢ ON THE DOLLAR

Sometimes it is not financially responsible for GLWA to pay for a small wastewater system improvement project with debt. The pay-as-you-go dollars collected this year pay for those improvements in the coming years and eliminate the need to pay interest on debt.

0.5% WRAP (WATER RESIDENTIAL ASSISTANCE PROGRAM)

0.5¢ ON THE DOLLAR

Half a percent of GLWA's revenue goes straight to funding WRAP, making it the only sustainably-funded assistance program in the country. WRAP provides not only financial assistance, but also conservation education and minor plumbing repairs and replacements.

1.3% CLOSED PENSION

1.3¢ ON THE DOLLAR

GLWA inherited a portion of the city of Detroit's pension plan expense for employees and retirees that maintained the sewer system before GLWA was formed. Over time, the annual payment will decrease.

5.5% REGIONAL SYSTEM LEASE

5.5¢ ON THE DOLLAR

This money goes to the Detroit Water and Sewerage Department (DWSD) to pay for GLWA's lease of the regional wastewater system. DWSD uses those funds for improvements to the local system and to pay debt from prior years.
