Subject: Public Comment to GLWA Board Mtg on October 24, 2018
Date: Tuesday, October 23, 2018 1:54:42 PM

If one looks at Ann Arbor water and wastewater treatment, then one is surprised by the rapid progress and innovation. We do not see this happening at GLWA operations, even when one board member is from Ann Arbor and CEO once worked for Ann Arbor public works. We need to follow Ann Arbor's good example.
