Vendor	Contact Name	Email Address	Explanation of No Bid Submittal
FK Engineering	Fritz Klingler	fklingler@fkengineering.com	After review of the scope contained in the RFP, we felt we were not in a good position to lead the project. Instead, we contacted Applied Science Inc, and we understand that we are on their team for work items that fall within our expertise (structural design, sewer entry and inspection, etc.).
PCI Vetrix	Hassan Ajami	hajami@pci-vetrix.com	The project scope was not something that we provide and we would not meet the requirements listed in the bid specifications.
