

## Financial Services Audit Committee Communication

**Date:** February 9, 2018  
**To:** Great Lakes Water Authority Audit Committee  
**From:** Jon Wheatley, Public Finance Manager  
**Re:** Monthly Revenue & Collections Report for December 2017

The *Monthly Revenue & Collections Report* includes the following.

1. FY 2018 Retail and Wholesale Sewer Revenue
2. FY 2018 Retail and Wholesale Water Revenue
3. City of Highland Park Billings and Collections
4. City of Flint Billings and Collections
5. Water & Sewer System Wholesale Accounts Receivable Aging Report

Note: Wholesale customer revenues are billed by the Great Lakes Water Authority (GLWA). Pursuant to the terms of the lease agreement between the City of Detroit and the Great Lakes Water Authority, the Detroit Water & Sewerage Department (DWSD) serves as GLWA's agent for billing activities for the City of Detroit retail customer class. All revenues collected by both GLWA and DWSD are deposited in a trust account in accordance with the GLWA Master Bond Ordinance.

### **1. FY 2018 Retail and Wholesale Sewer Revenue Report**

**Table 1** summarizes the unaudited FY 2018 billed revenues through December 31, 2017 and do not reflect collections of those revenues. It should also be noted that the revenues are shown in the month that the billed flow was accrued and not the following month when the bills are usually sent out to customers.

**Table 1 – Combined DWSD and GLWA Wholesale FY 2018 Sewer Revenue**

<i>Achievement of Budget</i>			<i>98.79%</i>	<i>92.21%</i>		

**DWSD Retail Billings:** Due to the earlier than normal date of this month's Audit Committee meeting, updated DWSD billed usage and billed revenue information for December 2017 were not available. The December 2017 numbers will be included in next report provided at the March 2018 Audit Committee meeting.

**GLWA Wholesale Customer Billings:** **Table 1** shows the FY 2018 sewer billed revenue. As a result of the sewer rate simplification which provides a more stable revenue stream, the wholesale sewer customers are billed a fixed monthly fee. The results of this effort can be seen as the billed revenue is at 100.0% of budget through December 2017.

**Total System Billings:** **Table 1** shows the FY 2018 combined DWSD and GLWA Wholesale sewer billed usage and billed revenue. Based on the combined billings available at the time of this report, the GLWA Sewer System had billed revenues of 92.21% of budget without the December 2017 DWSD billings.

## **2. FY 2018 Retail and Wholesale Water Revenue Report**

**Table 2** summarizes the unaudited FY 2018 wholesale customer water revenues billed by GLWA and the retail water revenues billed by DWSD. Please note these are billed revenues and do not reflect collections of those revenues. It should also be noted that the revenues are shown in the month that the billed flow was accrued and not the following month when the bills are usually sent out.

\* Figures are stated as "Service Months"; i.e. July figures represent bills issued in August, etc.

**DWSD Retail Billings:** Due to the earlier than normal date of this month's Audit Committee meeting, updated DWSD billed usage and billed revenue information for December 2017 were not available. The December 2017 numbers will be included in next report provided at the March 2018 Audit Committee meeting.

**GLWA Wholesale Customer Billings:** **Table 2** shows the FY 2018 water billed usage and billed revenues. Starting FY 2016, wholesale water charges were re-structured to create a more stable revenue stream by using a historical rolling average to project customer volumes and allocating 60% of the customer revenue requirement to the monthly fixed charge. As of December 2017, the billed usage was at 102.7% of budget and billed revenue at 104.9% of budget. As noted in **Table 2**, revenues and usage from the City of Flint *are* included as they were assumed in the FY 2018 Budget.

**Total System Billings:** **Table 2** shows the FY 2018 combined DWSD and GLWA Wholesale water billed usage and billed revenue. Based on the combined Retail and Wholesale Water billings, the GLWA Water System had billed usage of 99.2% of budget and billed revenues of 99.28% of budget without the December 2017 DWSD billings.

### 3. City of Highland Park Billings and Collections

As of January 31, 2018, Highland Park had a delinquent balance of \$36.9 million, including \$29.7 million for wastewater treatment services, almost \$1.6 million for industrial waste control services, and almost \$5.6 million for water supply services. **Table 3** provides a summary of the billing and collection history for Highland Park from June 30, 2012 to January 31, 2018 in the table below. Please note the numbers below reflect the month the invoice was sent and not the month the service was provided.

**Payment in the amount of \$1,216,572.12 was received on January 22, 2018 and posted to the Sewer account.**

## 4. City of Flint Billings and Collections

On October 16, 2015, the City of Flint (“City”) re-joined the regional water system pursuant to a short-term agreement which was extended several times through November 30, 2017. That agreement provided for a prepayment fund. In total, GLWA has received over \$28.4 million to the prepayment fund, and **as of January 31, 2017, all prepayment funds have been used and the balance in the fund is \$0, as shown in Table 4.**

Beginning December 1, 2017, GLWA is now providing water service to Flint in accordance with a new 30-year water service agreement. The terms of this agreement provides for the funding of a \$3,750,000 Security Deposit account by the City of Flint, which was received by GLWA on January 11, 2018. The Security Deposit Account may only be drawn down if Flint fails to make full and timely payments. The agreement also provides for a monthly credit to Flint for its previous month’s debt service payment to KWA and a pass-through charge to Flint for monthly service provided by GCDC. All monthly payments by Flint will be deposited with the Trustee, US Bank GLWA, KWA and GCDC per the provisions of the Baseline Trust.

**Table 4 - City of Flint Billings and Collections**

## 5. Water & Sewer System Wholesale Accounts Receivable Aging Report

Table 5 is a summary of the total, current and non-current receivables by category as of January 31, 2018. Table 6 is the same summary *without* the past due balances for the City of Highland Park. The detailed accounts receivable aging is attached to this report. This report reflects the wholesale receivables only and do not include DWSD. (Note: percentages vary from 100% due to rounding.)

**Table 5 - Wholesale Accounts Receivable Aging Report**

	<b>Total</b>	<b>Current</b>	<b>46-74 Days</b>	<b>75-104 Days</b>	<b>&gt;105 Days</b>
<b>Water</b>	\$ 36,991,252.51	\$ 31,191,788.90	\$ 517,579.36	\$ 115,445.26	\$ 5,166,438.99
