Walbridge	Joshua Christman	jchristman@walbridge.com	Walbridge evaluates each project on a job by job basis for GLWA and every client. In addition, we review the scope of work, project size and overall ability to be competitive to succeed. Upon review, we determined that this project was geared for an environmental cleaning company and we decided to not pursue the project. Walbridge is monitoring all GLWA projects specifically tracking certain projects that are a part of your Capital Improvement Program.
Weiss Construction Co. LLC	Chris Fitch	cpfitch@weiss-construction.com	Noted that project was dealing mostly with debris. We would not be competitive.
