Subject: Resignation from GLWA Board of Directors

Effective immediately, I am tendering my resignation from the Great Lakes Water Authority Board of Directors. It has been a privilege and honor in serving the water and sewer ratepayers. I wish you all the best of luck as you continue to improve the GLWA services to the public. Thank you again for your patience, assistance and efforts in continuing to quality water as recently recognized in the national award. Be well and I will be checking in on you from time to time. RJD
