Regarding: Letter of Intent Regarding Water Service Contract Between Great Lakes Water Authority and City of Grosse Pointe Park

Dear Directors and CEO McCormick:

Please be advised that the City of Grosse Pointe Park ("City") has engaged in productive negotiations with GLWA staff regarding the terms of a model water service contract ("Contract"). The parties concluded the negotiation process and reached mutual agreement on the terms of the Contract on February 5, 2021.

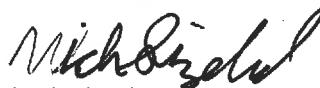

As you may know, all contracts, including this Contract, must be approved by the Grosse Pointe Park City Council. City staff requires a short period of time to discuss and explain the terms of the Contract with its City Council, however, it is our expectation that the City Council will vote on the Contract on or before its March 8, 2021 meeting.

Please accept this Letter of Intent as an expression of our intent to seek the approval of this Contract by our City Council at its March 8 meeting on the following material terms of the Contract's Exhibit B:

Maximum Flow Rates		
Calendar Year	Max Day	Peak Hour
2021	3.23	5.31
2022	3.23	5.31

We truly appreciate your consideration of this Letter of Intent. The City firmly believes that approval of this Contract is in the best interests of the City and GLWA.

Sincerely,

Nick Sizeland  
City Manager
