Greetings

We the Highland Park Human Rights Coalition submit these statements to be included at the December 3, 2021, GLWA Board of Directors Meeting.

We the Highland Park Human Rights Coalition including the residents of Highland Park, MI make the following claims:

1. GLWA's disproportionate billings to the residents of Highland Park, MI are in violation of the existing 1996 and 1983 Agreement. We are being overcharged.
2. We the residents of Highland Park, MI pay 10 times more than any city in Michigan.
3. GLWA is not honoring the contract made with Chrysler and the city of Highland Park, MI about a fixed rate which was also a Federal Court order.
4. In 1983 a contract was established concerning water rates for Highland Park, MI which GLWA is not honoring.

Respectfully submitted,

Linda G. Wheeler
