On October 14, 2020, the State of Michigan enacted certain amendments to Michigan's Open Meetings Act (SB1108), allowing remote telephonic and electronic participation in public meetings and hearings for public bodies subject to the Open Meetings Act during certain state or local emergencies. At this time, the State of Michigan, Department of Health and Human Services, as well as other local health departments within the GLWA Service area have declared emergencies related to the risk of infection associated with the COVID-19 pandemic.

In accordance with the Open Meetings Act, all meetings of the GLWA Operations and Resources Committee will be held telephonically and through electronic conferencing, until further notice.

If a member of the public requires accommodation due to a disability, please contact CEO@glwater.org or (844) 455-GLWA (4592) not less than 72 hours prior to the date of the meeting.

The public is advised that although meetings of GLWA's Operations and Resources Committee are typically held in conformity with the Open Meetings Act, The Operations and Resources Committee is a sub-quorum advisory committee to the GLWA Board of Directors and therefore not a "public body" required to meet publicly or adhere to that Act. (See OAG Opinion No. 6935, April 2, 1997.

This Schedule of Meetings may be amended at any time by the Great Lakes Water Authority Board of Directors.
