

Regional Economic Outlook Forum: Rising Cost Pressures & Mitigation Strategies in the Water Sector Evaluation Summary

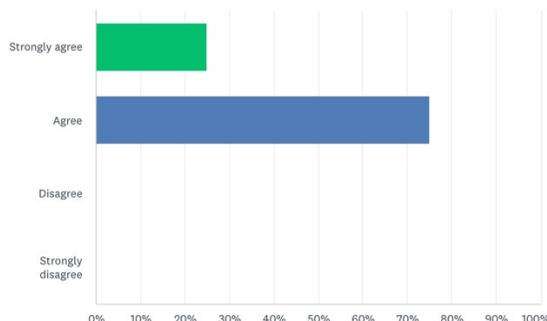

December 12, 2022

Meeting participants = 89

Question 1:

Today's Regional Economic Outlook session was a good use of my time

(1 = Strongly Disagree; 4 = Strongly Agree)

Strongly Agree: 25% 1 respondent
Agree: 75% 3 respondents

Question 2:

Here's what I liked best about the session:

1. The breakout groups and the short presentation Nick Khouri.
2. I enjoyed hearing the timeliness estimates of the impact, and seeing what everyone else was thinking
3. Nick's overview was excellent!
4. Adding several people to speak on mitigation on pricing increases.

Question 3:

Here's what I wish would have been a bit different:

1. Nothing
2. Hearing the same thing over and over is kind of rough sometimes. We are inundated by information of the same message all over.
3. N/A
4. N/A

Question 4:

Any further thoughts to share?

1. I enjoy bringing GLWA and the local communities together with a few outside companies to discuss these topics. Well worth the time.
2. Nope thanks!
3. None.
