Contract No. 2202942 – Professional Consulting Services – Project Implementation and Related Services
Date: 1/23/2023

Vendor Name	Contact Name	Email Address	Explanation of No Bid Submittal
Applied Science, Inc.	John R. Michalski, President	jmichalski@asi-detroit.com	Applied Science, Inc. (ASI) was included as part of the PMA Consultants team that submitted a bid for this project.
NTH Consultants, Ltd.	Lisa Dilg, VP of Marketing	ldilg@nthconsultants.com	NTH partnered with PMA, the winning bidder, on this proposal. We are a subconsultants to PMA.
AT&T	Jovan Blackwell	jb1380@att.com	A bid was submitted. We completed several forms and loaded into the portal provided. Can we meet to confirm details as to how our bid was missed and options to be considered? *GLWA Note: Bonfire confirmed that required bid documents were not uploaded prior to the published deadline.
WSI Industrial Services	Laurel Dvorak	Wsiind.office@gmail.com	Office Manager mistakenly downloaded this opportunity thinking it was one we might be able to provide services. The President immediately knew it was not applicable to our company based on the title alone.
DPPS Asset Management Inc	Damien Carter	Dcarter@dppsc.com	At the point of receiving the notice to access the RFQ, there was not enough time to put a response together. *GLWA note: RFP opening date 10-3-22, vendor downloaded documents 11-15-22
Benesch	Dave Guastella	degustella@benesch.com	Simply a business decision based on staffing levels and other standard variables.

Contract No. 2202942 – Professional Consulting Services – Project Implementation and Related Services
Date: 1/23/2023

FK Engineering	Fritz Klingler	fklingler@fkengineering.com	We were not in a position to provide the scope of services that was required for 2202942. At the same time, we were going after two other projects for GLWA and for another client, that better fit our services that we do provide.
Process Control & Instrumentation LLC	Sophia Chue	schue@pci-vetrix.com	This is not our core business
DWSD	Kari Farina	Kari.Farina@detroitmi.gov	I am with DWSD Procurement and was pulling down documents from Bonfire to look at the scope of work to help with a solicitation I was working on at the time.
Shamina Burch (Alpha Vega Consulting)	Shamina Burch	Alphavegaconsulting@gmail.com	<p>I am a consultant. I did not feel that I could perform the contract as seeing that I am only one person. This contract would require at least a team of 15-20 personnel. I would need a contract that would allow me to perform a long-term task or deliverable as part of a larger operation or I would need a contract that can be handled by an independent consultant (me) single-handedly or with the possibility to bring on at least 2-4 other personnel. Also, the term <i>Provisional Allowance</i> threw me off. I am not sure how that works. I would need a Fixed-Priced Contract.</p> <p>I. E.</p> <p>F. Other Related Services</p> <p>Consultant shall be capable of providing all the Services listed below. These Services</p>

			shall be paid from the Provisional Allowance. The scope of work of each value engineering (VE) task is to analyze the requirements of the project for the purpose of achieving its essential functions at the lowest total cost over its complete life and improve quality without changing its function. Consultant shall provide a team of experts led by a certified value specialist (CVS) to conduct a VE study.
TRENDTECH LOGISTICS	REGINALD SMITH	REGINLAD.SMITH@TRENDTECHLOGISTICS.COM	No BID
