Pearce Contracting	
Quality Water & Air	
Royal Roofing Co. Inc.	Royal Roofing is a Tier 1 Supplier to the automotive industry. They have quite large budgets for 2018 and expect us to do a fair amount of roofing projects for them. Your project and there's are similar in the type of roof being installed. Like all contractors we are limited by the amount of roofers available to hire that can perform that type of roofing. Therefore we had to make a decision to bid projects that have a limited number of bidders and buildings we have already worked on.
Royal West Roofing	
Schena Roofing & Sheet Metal Co., Inc.	
Schreiber Corporation	Responded to Solicitation
