

Survey of Vendors that viewed Request for Bid on MITN

Vendor Viewed Request for Bid		No Bid Submitted	
Company Name		Explanation	
AC Electrical Services, Inc./H.V.A.C. Systems, Inc			
Active Solutions Group		The requirements seems to stringent and other opportunities exist that are just as profitable with less requirements and guidelines.	
Advance Instrumentation Systems Corporation			
Allcomm Inc			
Allied Building Service Company of Detroit, Inc.			
BSB Communications			
Barta Sales, LLC		RFB to cumbersome and couldn't get it to work	
Baseline Electric Company		I was interested in the project but I am only doing consulting at this time. That is why I did not bid the project.	
Bayview Electric Company, LLC			
CTS Companies			
Central Turf and Irrigation Supply		We supply low voltage wire only, we do not employ staff that can install or service the work requested to bid.	
Christensen's Plant Center		I wanted to, I was concerned about being Competitive. I thought a Manufacturer would Win the Award. I'll Bid next time!	
City Electric Supply			
Complete Interactive Technologies Inc			
Cynergy Wireless Products, Inc.			
DES Electric LLC			
DiClemente Siegel Design Inc.			
Dickson Consulting LLC			
Douglas Electric Co.		Unfortunately, we had jobs scheduled already that would have conflicted with this project.	
ESCON Group, Inc.			
Endrix			
Energy Products (SLI Division)		The reason for our non-response is we do not service or install low voltage wiring systems.	
Ferndale Electric Company, Inc.		we were contacted by the apparent low bidder of CON-089A, they were inquiring if we wanted to work under them as a subcontractor on this project. We downloaded the documents to see what (if anything) changed from the previous bid CON-089, our reason was to see if we could work out an agreement with the apparent low bidder. As it turned out, we were not able to solidify a working agreement. we have closed the file on this project.	
Four Seasons Property Maintenance			
GARRETT BURGESS, INC			
GENESYS			
Global Business Solutions			
Goyette Mechanical			

Survey of Vendors that viewed Request for Bid on MITN

Graybar Electric	
Grey-Belle Electric LLC	My company is newly organizing as a union contractor but isn't financially able to take on the high burden of the additional manpower payroll for the number of personnel that would be required just at your facility, at this time
Guy Hurley	
IVSComm	I don't recall getting a RPF on this project. Did you post this project or send out an email notification?
Infinite Technologies LLC	
Infiniti Energy & Environmental, Inc	
Innovative Technology Solutions, LLC	and are not a multi-million dollar company. 1. This bid required a bid bond. A bid bond is not something we can afford on a regular basis.2. The requirements for the RFP were not able to be met due to our business being newer in our venture. We have done a large amount of commercial data cabling, but mostly in a retail environment. This left us without the "required references." 3. We do not have confined space trained staff. 4. While we could have quoted the install without confined space or the references, we felt that there was almost a 0% chance of us receiving the winning bid based on that.
Intelligent AV	
International Controls & Equipment	
J.P. Simons & Co	
Kandico Enterprises LLC	
LGC Global (Lakeshore Global Corporation)	
LVBT, Inc	
MHM Construction, LLC	
Martin & Associates Environmental, LLC	
Metro Wire & Cable	We are supplier of electrical and electronic wire and cable. Being a supplier we would not bid direct on this project as our customers, electrical contractors are. Seeing these RFB's help us stay in front of projects and the bid tab results tell us who we need to be in contact with.
Midwest Computer Resources, Inc.	
Miles Construction Inc.	
Millennium	
Mitel Networks Inc	
NETSOLUTIONS L.L.C.	
PCT Security, LLC	
PROGRESSIVE HARDWARE SUPPLIERS	
Pearce Contracting	
Perimeter Protection Home Solutions Corp.	I had plenty of experience just not a lot of government experience
Phoenix Environmental, Inc.	

Survey of Vendors that viewed Request for Bid on MITN

ProVideo Systems, Inc.	I think the requirements and the timeline didn't match our current overwhelming work load.
Process Controls & Instrumentation	After viewing the documents, we decided it was not our core business and decided not to bid.
ROTOR ELECTRIC COMPANY OF MICHIGAN, LLC	This was a rebid of a job that we previously bid and were far from competitive. We felt that nothing would change significantly where we would even come close to being the low bidder.
RT Software Systems, Inc.	
Rocky Mountain Communication Speci	
Samuel & Sons	
Sepal Analytics	
Shaw Electric Company	
Shore Pointe Services, LLC	
Starwood Group LLC	
Telecom Technicians, Inc.	
Teoma Systems	
Thumb Communication Services	
Trane Detroit	
Trendset Communications Group	
US Telex Corporation	We are an electrical distributor and only provide electrical materials. We do not do any installation.
Walker-Miller Energy Services LLC	After reviewing the RFQ, we were not in a position to offer the complete scope of work required to meet the request.
Watchful Eye Inc	
Wesco Distribution	
Western Tel-Com, Inc.	
Whittaker Brothers	
Worldview Technologies	We thank you for the opportunity to bid on the low voltage wiring project, unfortunately due to changes in surety providers we could not meet the bid bond requirements by bid due date.
caniff electric supply	
jitub
