

## Election to Delay Implementation of Procurement Standards

On May 17, 2017, the [Management and Budget Office](#) issued a [Rule](#) updating the final guidance that appeared in the Federal Register on December 26, 2013. Guidance on the effective/applicability date was revised to allow for a grace period of one additional fiscal year for non-Federal entities to implement changes to their procurement policies and procedures in accordance with guidance on procurement standards (2 CFR 200.317 through 200.326). This means the grace period for non-Federal entities extends through December 25, 2017, and the implementation date for the procurement standards will start for fiscal years beginning on or after December 26, 2017.
