Subject: Public Comment to GLWA Board Mtg. Dec. 19, 2019
Date: Monday, December 16, 2019 10:08:57 AM

Four plus years to GLWA and the record is the same as it was with DWSD : no carbon filtration, still the same chlorination for disinfection, no rational plan for stormwater management, still inadequate sampling and testing, still operators doing chemists' jobs, still mounting debts. GLWA board has 67 per cent change. but executives remain from DWSD. THE RECORD IS DISMAL AND CRIES FOR RADICAL CHANGE. Saulius Simoliunas, 665 W.
