Subject: My Public Comment was not posted as received in GLWA meeting This last wednesday
Date: Thursday, November 26, 2020 8:57:07 AM

I Forwarded, (in order to reduce typing on my cell phone), Saul's Public Comment with my Reactive Public Comment Attached, to CEO@GLWATER.ORG as well as to Saul's recipients. Please insert my "Public" Comment into your minutes, send it to the commissioners, and post it for your next meeting.

Would you, the staff and the board, actually RESPOND to our suggestions and quiries (?s), etc.?

Have a thankful Thanksgiving.
