Contract No./Title: 2100998/East Avon Early Works Pipe Procurement for the 96-Inch Water Transmission Main Relocation Project
Date: 10/21/2021

Vendor	Contact Name	Email Address	Explanation of No Bid Submittal
Ballard Marine Construction	Tony Raphael	tony.raaphael@ballardmc.com	This is not within Ballard's scopes of work. We pulled the plans to see if there was any diving associated with this Project.
American Cast Iron Pipe Company	Sonja Carter	SCarter@american-usa.com	Anooj Kothari submitted a bid under American SprialWeld Pipe Company, LLC on our behalf.
Kennedy Industries	Bryan Davidson	bdavidson@kennedyind.com	We look at these Projects from an "equipment suppliers" perspective. We have supplied the Kennedy Double Disc Gate Valves on the 14-Mile Transmission Loop, Waterworks Park, Wick Road Projects in the past and after review of the bid tab for this project, we did not see anything for us to for a propose/quote on this Project.
J & S Valve	Michael C. McCarthy	MCM@jandsvalve.com	J&S Valve manufactures AWWA Valve products, after review of this project

Contract No./Title: 2100998/East Avon Early Works Pipe Procurement for the 96-Inch Water Transmission Main Relocation Project
Date: 10/21/2021

			there was no valves for us to provide a quote for
NTH Consultants	Lisa Dilg	LDilg@nthconsultants.com	NTH did not submit on this project as we are not a contractor or supplier.
Lee Supply Co., Inc.	Dianne Joseph	djoseph@leesupply.com	We did not bid this project because I did not see polyethylene pipe in the specs.
HESCO	Heather Walker	heather.walker@hesco-mi.com	We did not submit a bid for this project directly because we are a manufacturer's rep firm. We downloaded the plans & specs so that we could submit a bid to the contractors.
Our Full Attention	Rashad Medaris	RashadMedarisrashad@ourfullattention.co	We did not submit a bid for this project directly because we are a manufacturer's rep firm. We downloaded the plans & specs so that we could submit a bid to the contractors.
Mokveld Valves	Jimmy Tsiantopoulos	jimmy.Tsiantopoulos@mokveld.com	We did not respond to the above RFB 2100998 because we do not manufacture / supply steel pipe.

Contract No./Title: 2100998/East Avon Early Works Pipe Procurement for the 96-Inch Water Transmission Main Relocation Project
Date: 10/21/2021

Smith's Waterproofing, LLC	Brandon Smith	brandon@swcdllc.com	This contract was outside of the normal services we provide.
Ric-Man Construction, Inc.	Gino D'Agostini	GDAgostini@ric-man.com	Ric-Man Construction, Inc. did not submit a proposal because the scope of work is not a service that we provide.
Tru Steel Metals, LLC	Jeffrey Scheinberg	jeffs@trusteelmetals.com	I did respond in the original RFB that scope of work was too large for our company to handle given sizing of pipe, amount of lineal feet required and other fittings, etc that were required.
Clark Construction Company	Colt Odeh	COdeh@clarkcc.com	The referenced solicitation is geared for manufacturers of large diameter specialty steel pipe that Clark Construction does not produce. Our interest in the project is in tracking its future construction.
Bearing Service, Inc.	David Hornbeck	dhornbeck@bearingservice.com	Bearing Service is a bearing and PT distributor, we do supply any kind of pipe.

Cathodic Protection Management, Inc.	Lynne Brodie	lynneb@corrosionspecialists.com	We are not a prime bidder on this project.
Project Amazing	William Hunter	wmhunter02@aol.com	We are a supplier of good and services and bid directly to mechanical and underground contractors. We access bid documents for specifications and details.
Michels Corporation	Marc Gravel	mgravel@michels.us	Michels Corp. did not submit a proposal on the referenced project because we are not a manufacturer or supplier of pipe. We accessed and downloaded this RFB in order to get insight on the CMAR contract for the Transmission Main Relocation Project that is to follow.
