

John J Zech, Board Chair and Board of Directors Officers
Public Hearings
Great Lakes Water Authority
735 Randolph, Suite 1900
Detroit MI 48226

November 2, 2021

Residents of Highland Park are petitioning the Great Lakes Water Authority to let you know of our concern that the Great Lakes Water Authority is not honoring a contract and mediation ruling. Our signed petitions are included with this letter.

The Great Lakes Water Authority owes and should pay \$1,000,000 owed to The City of Highland Park. The Highland Park Human Rights Coalition including residents of Highland Park make the following claims:

- HIGHLAND PARK RATE PAYERS ARE BEING OVERCHARGED. Residents of Highland Park pay 10 times more than any city in Michigan.
- This disproportionate billing is in violation of an existing 1983 and 1996 Agreement. In 1983, a contract was established concerning water rates for Highland Park which the Great Lakes Water Authority is not honoring.
- The contract the Great Lakes Water Authority is ignoring was a Federal Court Order.
- The mediation ruling was in Highland Parks' favor.

The petitions reflect our concern and demand that the Great Lakes Water Authority respect the law and pay the debt owed to the City of Highland Park.

Respectfully,

Gracie Wooten
Resident of Highland Park
Member, Highland Park Human Rights Coalition
