The first matter is the Capital Improvement Plan Program Management contract, which was not ready for the Committee's review at today's meeting, however, the administration would like the contract to be considered by the full Board at the February 27, 2019 Board of Directors Meeting, and would like to know if the Committee would be willing to move the matter directly to the full Board in lieu of scheduling a Special Meeting of the O & R Committee for review, on or before February 27, 2019.

NOTE: A Special Meeting of the Operations and Resources Committee will be scheduled on, or before February 27, 2019.

Mr. Wolfson stated the second matter is a communication to the full Board to advise the Board of staffing changes in Procurement.
