BACKGROUND

The world is in a state of emergency due to the COVID-19 pandemic. On March 18, 2020, Governor Gretchen Whitmer issued Executive Order No. 2020-15, allowing remote participation in public meetings and hearings for public bodies subject to the Open Meetings Act during the COVID-19 pandemic. This Order allows public meetings of public bodies subject to the Open Meetings Act to be held electronically, including by two-way telephonic conference.

Subsequently, Governor Whitmer issued Stay Home/ Stay Safe Orders which as modified currently run through May 28, 2020.

As a part of its response to this emergency, at its March 20, 2020, meeting, the Board adopted resolution 2020-114 which authorized the Chief Executive Officer (CEO):

[T]o approve non-emergency procurements in excess of one million dollars (\$1,000,000.00), provided that before approving any such non-emergency procurement in excess of \$1 million dollars (\$1,000,000.00), the CEO shall notify the Board of the proposed procurement, shall review the proposed procurement with the Board's Operations and Resources Committee, and shall present the procurement to the Board for ratification at the first available opportunity following the CEO's approval.

The O&R Committee met on May 13, 2020 and recommended eight (8) items for approval by the Board. The CEO has executed one (1) of those eight (8) items which are delineated in the Motion, above. Today's meeting is the Board's first opportunity to ratify the CEO's action.
