RE:	Purchase of 717 Navahoe, Detroit, MI							

MOTION

Upon recommendation and opinion of Randal M. Brown, General Counsel, the Board of Directors (Board) for the Great Lakes Water Authority (GLWA):

(1) Approves the purchase of 717 Navahoe, Detroit, MI from Kathy Durham-Logwood; and

(2) Authorizes the Interim Chief Executive Officer to take such other action as may be necessary to accomplish the intent of this vote, including the execution of the Purchase Agreement and closing documents.

JUSTIFICATION

To provide the ability to safely and reliably isolate the Freud Pump Station wet well, and pump dry weather sanitary sewage to the WRRF, GLWA needs to construct an access shaft and sanitary pump station east of the Freud Sewage Pumping Station. Working with Arcadis, GLWA's consultant on this project, GLWA has identified properties that it needs to acquire adjacent to the Ashland and Fox Creek interceptors. One property adjacent to the interceptors and near the Freud Sewage Pumping Station is owned by Kathy Durham-Logwood. GLWA for \$14,021.97 plus closing costs. 717 Navahoe appears to be a vacant home. Additional land acquisitions are necessary to support the construction of the access shaft.

BUDGET IMPACT

There are sufficient funds allocated for the access shaft construction in the CIP to acquire the land.
