MOTION

Upon recommendation of Nicolette N. Bateson, Chief Financial Officer/Treasurer, the Board of Directors (Board) of the Great Lakes Water Authority (GLWA), **schedules a Public Hearing on Proposed FY 2019 Schedule of Revenues and Charges and a Public Hearing on the FY 2019 & FY 2020 Biennial Budget Request to be held at a Meeting of the Great Lakes Water Authority Board on February 28, 2018, at 2 pm, in the Board Room, 735 Randolph, 5th Floor, Detroit, Michigan 48226, directs that notice of these Public Hearings be published in a daily newspaper of general circulation, and directs that notice of these Public Hearings be mailed to GLWA customer communities on or before February 1, 2018;** authorizes the Chief Executive Officer to take such other action as may be necessary to accomplish the intent of this vote.

BACKGROUND

Both Michigan Law, MCL 141.434 and Section 7.02 of the GLWA Model Water Contract require a Public Hearing prior to adoption of the FY 2019 & FY 2020 Biennial Budget. Section 7.02 provides:

“Notification of Rates. As soon as possible in the ratemaking process, the Board shall provide information on proposed rates and the draft data and information used in the calculation of proposed rates in a format that will enable Customer to assist in the ratemaking process. Not less than thirty calendar days prior to the hearing required by Act 279, the Board shall provide Customer with written notice of a proposed rate and the underlying data used to calculate the rate. The Board shall meet with Customer to review the rate and the data.”

JUSTIFICATION

Act 279 provides that a water or sewerage system which serves more than 40% of the population must hold at least one public hearing at least 120 days before a proposed rate increase is scheduled to take effect. The hearing(s) must be conducted in compliance with the Open Meetings Act (OMA). Notice of the time, date and place of each hearing must be in compliance with the OMA and must be mailed to each city, village or township served by the system not less than 30 days before each hearing.

Although Act 279 does not currently apply to GLWA operations, counsel has advised that GLWA should continue to abide by the notice requirements of Act 279 as the most faithful interpretation of the contract requirements.

BUDGET IMPACT

A Public Hearings on a Proposed FY 2019 Schedule of Charges and FY 2019 & FY 2020 Biennial Budget Request are necessary for the establishment of a current budget and schedule of charges effective July 1, 2018.
