Proposed Water Service Contract with Grosse Ile Township

Agenda of: January 9, 2019
Item No.: **2018-1071**
Amount: Revenue Contract

TO: The Honorable
Board of Directors
Great Lakes Water Authority

FROM: Sue F. McCormick
Chief Executive Officer
Great Lakes Water Authority

DATE: January 2, 2019

RE: Proposed Water Service Contract with Grosse Ile Township

MOTION

Upon recommendation of Randal Brown, General Counsel, the Board of Directors (Board) of the Great Lakes Water Authority (GLWA), **authorizes the Chief Executive Officer (CEO) to execute a 30-year water service contract with Grosse Ile Township;** and authorizes the CEO to take such other action as may be necessary to accomplish the intent of this vote.

BACKGROUND

On November 26, 2018, the Grosse Ile ("Member Partner") Board approved the terms of a new Water Service Contract ("Contract") with GLWA. The Member Partner has been receiving water services through a 35-year agreement with the City of Detroit dated December 3, 1980. This Contract is based upon the model water contract, as subsequently amended, developed in partnership with the Technical Advisory Committee. The Contract has a thirty-year term and provides for, in part, pressure commitments by GLWA; maximum day and peak hour commitments by the Member Partner; the establishment of the Technical Advisory Committee (now, the One Water Partnership) for a thirty-year period; notification and payment of charges; maintenance responsibilities of the Member Partner and GLWA; and water quality commitments by the Member Partner and GLWA.

Additionally, Exhibit A of the Contract establishes the Member Partner's service area boundaries, meter locations, emergency connections, retail customers served by the Member Partner outside of Member Partner's corporate limits, and each party's respective ownership and maintenance responsibilities. Exhibit A is not attached for homeland security reasons.

JUSTIFICATION

Approval of this Contract provides a mutually beneficial, stable, long-term framework for interactions between GLWA and the Member Partner and incorporates annual system planning volumes, pressures, and maximum day and peak hour

values that better reflect future Member Partner usage.

BUDGET IMPACT

The revenues expected to result from this Contract will be reflected in the FY 2019-2020 schedule of charges.

COMMITTEE REVIEW

This matter is being presented directly to the full Board of Directors for consideration and approval.

SHARED SERVICES IMPACT

This item does not impact the shared services agreement between GLWA and DWSD.
