Amendments

MOTION

Upon recommendation of Nicolette Bateson, Chief Financial Officer/Treasurer, the Board of Directors (Board) of the Great Lakes Water Authority (GLWA), approves the **FY 2022 Fourth Quarter Budget Amendment Resolution as presented**; and authorizes the Interim Chief Executive Officer to take such other action as may be necessary to accomplish the intent of this vote.

BACKGROUND

The founding legal documents for the Great Lakes Water Authority (GLWA) provide a structure for budget preparation, adoption, and amendment. The Board of Directors adopts a biennial budget by resolution which specifies appropriation amounts which may be modified through budget amendments. To the extent that there is a proposed amendment of the budget among the appropriation categories, the matter is generally brought to the Audit Committee for review and consideration of a recommendation to the Board of Directors for their consideration for approval. Given the timing of fourth quarter budget amendments for FY 2022, the matter is being brought to the

full Board for consideration.

JUSTIFICATION

The following attached documents provide the justification and related resolution for the fourth quarter of FY 2022. Specifically, this includes:
