Re: Grants, Gifts, and Other Resources Report Through June 30, 2026

Highlights: The Grants, Gifts, and Other Resources Report highlights changes from the prior report in yellow. Of note this month are the following project updates:

- ✓ **2024-011 Southeast Michigan Flood Study** – Total study amount increased to \$5M from \$3M, with GLWA contributing 50%. Study duration extended to July 2028.
- ✓ **2024-009b FY 2024 Environmental Protection Agency Community Grant – Oakwood District Intercommunity Relief Sewer Modifications (CIP Project 222001)** – All funds received and close-out documentation completed and approved. Award removed from report.
- ✓ **2025-004 Scale-up of Hydrothermal Liquefaction with Supercritical Water Oxidation in an Integrated Biorefinery** – Realigned project scope to actual activity in conjunction with timing changes from prior month meeting. GLWA cost share now set at \$30,000.

Background: The Great Lakes Water Authority (GLWA) delegated authority to the Chief Executive Officer to oversee and report on activities identified in the GLWA Articles of Incorporation related to solicitation and receipt of grants, gifts, and other resources ⁽¹⁾ as stated in Article 4 – Powers, Section B (4):

(4) Solicit, receive, and accept gifts, grants, labor, loans, contributions of money, property, or other things of value, and other aid or payment from any federal, state, local, or intergovernmental government agency or from any other person or entity, public or private, upon terms and conditions acceptable

¹ Other resources as referenced above refer to labor, contributions of money, property, or other things of value from any other person or entity, public or private with the exception for loans, subject to provisions of the GLWA Board Debt Management Policy, and Intergovernmental agreements and other activities that are addressed in the GLWA Board Procurement Policy.

to the Authority, or participate in any other way in a federal, state, local, or intergovernmental government program ⁽²⁾.

GLWA's Grants, Gifts, and Other Resources Delegation Policy is online at [Grants, Gifts, and Other Resources Delegation Policy - GLWA \(glwater.org\)](https://www.glwater.org/Grants-Gifts-and-Other-Resources-Delegation-Policy).

Analysis: The tables in each section of this report present GLWA grant activity by each phase. As a grant moves through each phase, it is shown in the corresponding table.

Table 1- Pre-Award phase includes the process of applying for a grant and the period prior to the signing of the grant agreement between the awarding agency and GLWA.

Table 2 – Post-Award phase reflects the period after the agreement is executed with the awarding agency. In this phase, GLWA becomes responsible for meeting the administrative, financial, and programmatic reporting requirements of the award.

Table 3 – Close-Out phase is the final stage of grant activity and includes final reporting requirements, auditing, and closeout. There are final financial and programmatic reports that must be submitted to formally close out the grant as defined in each grant agreement.

Table 4 - Programs not awarded or programs that GLWA will not continue to pursue.

Proposed Action: Receive and file this report.

² Participation in any other way in a federal, state local, or intergovernmental government program includes participation in research projects at universities.
