

Welcome to the June edition of *The Procurement Pipeline*, a monthly newsletter designed to provide updates on doing business with the Great Lakes Water Authority (GLWA).

Tips for Creating Complete and Responsive Submissions to Open GLWA Opportunities

To ensure that you have created a complete and responsive submission to an open GLWA opportunity, please do the following.

1. Carefully read and follow the instructions outlined in the Solicitation Cover – Instructions to Vendors document posted with each advertisement in GLWA's Euna Procurement Portal.
2. Review all Supporting Documentation and Requested Information on the Euna project page. These sections provide details on what the project entails and the documents that vendors must complete. Submissions that do not include all the required forms will be deemed nonresponsive.
3. Ensure that you give yourself enough time to obtain all required third-party forms (e.g., proof of insurance and bonding).
4. Attend the project's Pre-Bid or Pre-Proposal Meeting (if applicable) to learn more about the project and to have your questions answered by the GLWA Project Manager.
5. Submit written questions on the Euna project page by the Questions Due Date if you need additional clarification on project requirements. All questions submitted by vendors will be answered in a posted addendum on the Euna project page.
6. Adhere to all deadlines and due dates. Late submissions will not be accepted.
7. Ensure that all required signatures have been completed by the appropriate, authorized individuals at your company.

Additional questions about any open GLWA opportunities must be directed to the GLWA Buyer of Record for the project. Any other questions about navigating GLWA's procurement process may be directed to GLWAVendorOutreach@glwater.org.

Reminder: AI Notetaking Technology Prohibited by GLWA

GLWA maintains a strict policy prohibiting the use of AI notetakers during meetings. This policy ensures the confidentiality and integrity of discussions and protects sensitive GLWA information. GLWA vendors are asked to follow this policy whenever they meet with GLWA. We appreciate your understanding and cooperation.

Virtual Vendor Introduction Meetings

If you are interested in learning more about doing business with GLWA, contact us at GLWAVendorOutreach@glwater.org to schedule a virtual vendor introduction meeting. Topics include tips for submitting competitive bids or proposals responses for GLWA solicitations.

Keeping up with GLWA

Our Chief Executive Officer (CEO) Monthly Report provides a wealth of information and news about important initiatives within GLWA's service territory that impact GLWA, its member partners, and the public. To read the May 2026 Monthly Report, please [click here](#).

What's Coming Down the Pipe?

Current Solicitations: Register in GLWA's [Euna Procurement Portal](#) for new solicitations and contract award information.

Upcoming Procurements: Next Three to Nine Months—See newsletter page 2.

Visit GLWA online!

To see the GLWA vendor homepage, please visit www.glwater.org or contact us via email at procurement@glwater.org.
