

Welcome to the January edition of *The Procurement Pipeline*, a monthly newsletter designed to provide updates on doing business with the Great Lakes Water Authority (GLWA).

FY 2024 Annual Procurement Report

Each year, GLWA produces a report detailing all procurement activity for the last fiscal year. In addition to providing a searchable database of all contracts on the [Bonfire Procurement Portal](#), the [FY 2024 Annual Procurement Report](#) demonstrates GLWA's commitment to transparency in public procurement by providing detailed information on GLWA purchasing and spending. Key report highlights for FY 2024, which spans July 2023 through June 2024, are included below.

- ✓ Procurements awarded totaled \$453.1 million;
- ✓ Procurement executed 3,835 new purchase orders;
- ✓ The total payment to vendors was \$596.1 million; and
- ✓ 90% of all awarded purchases were connected to a formal contract.

The report also demonstrates how GLWA is a significant contributor to the regional economy of Southeast Michigan by including the top ten dollar value projects, top ten Capital Improvement Projects (CIP) invoiced and the top ten vendors by total spend. In addition, detailed appendices conclude the report which provide information on four subjects.

1. All contracts awarded, including contract number, vendor, and total amount of the contract;
2. All vendors awarded, including the contract number, the vendor, and the total amount of the contract;
3. All contracts invoiced; and
4. All vendor payments by invoice.

GLWA's mission is to exceed our member partners' expectations by providing water of unquestionable quality as well as efficient and effective wastewater services—but also, and importantly, to promote and support economic growth in the region we serve through our strategic sourcing practices.
