

Financial Services Audit Committee Communication

Date: April 24, 2026

To: Great Lakes Water Authority Audit Committee

From: Matthew S. Lane, MPA – Manager, Charges Outreach & Modeling

Re: Member Partner Contract Status Report

Background: Charges Outreach and Modeling has updated the Member Partner Contract status report for both the Water and Sewer Systems. This information is published periodically for reference purposes and to respond to inquiries.

Analysis: The report includes each Member Partner's contract type, contract date, and term of contract.

Proposed Action: Receive and file.
