Contract No. 2303413 SCADA Network Upgrade
Date: 10/11/2024

Vendor	Contact Name	Email Address	Explanation of No Bid Submittal
Emerson	Raymond Card	Raymond.Card@emerson.com	Emerson did not bid as prime contractor because we can't accept the GLWA terms and condition without exceptions
DES Electric	Michael Elder	melder@des-electric.com	DES did submit with Brown and Caldwell as part of their team.
Signature Technology Solutions	Michael Agboh	magboh@signature-tech.com	The primary factors influencing our decision were the bond requirements and the limited response timeline. These constraints prevented us from submitting a proposal at that time.
