Specialized Procurement

Business Inclusion and Diversity (B.I.D.) - Not Applicable

This procurement is a single/sole source as the original equipment manufacturer (OEM) for the variable frequency drives under this proposed contract was ABB Switzerland. In the United States, the only OEM approved and certified provider for ACS1000 upgrades on that equipment is ABB, Inc., the awarded vendor. This designation ensures compliance with the OEM's engineering standards, access to proprietary firmware and tools, and adherence to factory approved safety and quality standards and procedures.
